## Cocktails

Made with all locally distilled spirits and ingredients.

### CHIEF 'WHISKEY' SOUR

19.5

This dependable drink is an easy fit for whiskey lovers, as well as those weary of the brown spirit. It's lemony lift and slight sweetness make it appealing for citrus lovers and good whiskey drinkers.

### 'LITTLE REBEL' ESPRESSO MARTINI

17

Like a refined Red Bull and vodka for coffee lovers. The Espresso Martini promises a pick me up, calm me down effect in a tasty package. This after dinner drink will wake you up whilst keeping your buzz going. Also referred to as a Vodka Espresso or Pharmaceutical Stimulant, call it what you will. We'll call it good.

### JIMMY'S MOJITO

18

The Mojito might be Cuba's best, and most popular contribution to cocktail culture thus far... (it's okay. We'll wait). The simple mix of Jimmy Silver Rum, lime juice, cane sugar and soda (with muddled mint) this cocktail transports you the Caribbean with it's fresh and tropical taste.

### DARK 'N' JIMMY RUM

19.5

What make this Dark 'n' Stormy different? Our mate Jimmy. So we use Jimmy's Oak Rum (and only Jimmy Rum) with alcoholic sparkling ginger beer. Because sometimes simplest is best.

### THE PASSION POLICE

17

If you have a passion for passion fruit, then this baby's for you. With a pop of prosecco, a dash of vodka and topped with all the passion of a great summer romance, she'll have you dancing the night away.

## **BEES KNEES**

**17**

This cocktail is the bees knees (see what we did there). Made with Brogan's Way Everyday Salvation, lemon and honey this prohibition era cocktail was used to mask the counterfeit at home bathtub gin made by those die-hard drinkers. Us? We just use it because it taste's good.

## **GIN FIZZ**

**17**

It's all in the gin. Using a delicious craft gin we make this Gin Fizz shine. Mixing it in with old Tom Gin, lemon, sugar, egg and soda makes it even better!

## **TIPSY TOM**

**17.5**

Old man Collins is kicking it up a notch. With Brogan's Way Salvation and a splash of St.Andrews Beach Brewery's, Tidal yuzu citrus seltzer this is a spring clean that you'll be happy for.

## **DRY MARTINI**

**17.5**

A well made dry Martini is elegance in a glass. The classic mix of gin and dry vermouth.

## **VODKA STRAWBERRY DAIQUIRI**

**17**

A berry good cocktail this one is!  
With a bit of a twist, this one is made with vodka instead! A sweet tart (flavour we're talking about), some crushed ice, and bam. Summer in a glass.

## **PIMMS PARADE**

**17**

She's you summer beach date, she's your friends best mate, she's often the reason you're late. She's our citrus fruity friend, that's here to tie up all summer loose ends.

## **LITTLE RATOONS ICE TEA**

**21**

If you were stranded on an island with just one item, we would recommend this drink. A concoction of all things good. We're talking Jimmy Rum Silver Rum, Brogan's Way Salvation and a bunch of other good things, which trust us when we say, will get the job done.
